Part of NICOR's D-Series, the DLR3 combines price, performance and design all in one package. Compatible with most 3" recessed housings, this luminaire delivers incredible color accuracy with 90+ CRI and flexible dimming capabilities. The DLR3 is an ideal commercial, retail, institutional or residential downlight choice for retrofit or new construction. Redesigned to boost energy efficiency, the LED light engine draws only 8 watts while improving light output to over 600 lumens. The enriched 90+ CRI provides superior color quality, along with an R9 greater than 50. Not only is the light quality better, but this design improvement meets new industry standards.

### FEATURES

- Compatible with most 3" recessed housings
- Suitable for use in IC Rated recessed housings
- 50,000 hour life expectancy
- Easy installation with friction clip system
- Integrated baffle trim
- Dimmable to 10% with most standard TRIAC dimmers
- Durable construction
- Wet location rated
- 5 Year Warranty

### COMPATIBLE 3" HOUSINGS
