

# 15006RA

## 5" Remodel Airtight Housing

### Product Description

Suitable for remodel construction in residential and commercial applications.  
IC rated. Suitable for direct contact with insulation.

#### Housing

Aluminum construction provides greater heat dissipation.  
Washington State Energy Code approved to meet restricted airflow requirements.  
Airtight housing limits the exchange of air between ceiling plenum and heated/cooled areas.  
Integral thermal protector guards against improper lamping and misuse of insulation materials.  
7 1/2" height allows use in 2" x 8" joist construction.

#### Junction Box

Listed for through branch circuit wiring and includes several 3/4" knockouts.  
Four pry-outs with integral strain relief simplify Romex installation.  
Supplied with three push-in wire connectors.
